If such notification is challenged the parties shall attempt to agree any amount to be paid. The agreed amount shall be due fourteen days after the date of agreement, with the final date for payment being the last day of the first calendar month after the month in which agreement is reached. If the parties fail to agree the dispute may be referred to resolution in accordance with Clause 21 or 22 below.

During such suspension the Purchaser shall be free to obtain from any source such Goods and/or Works and/or Services as it deems necessary and to cancel the Purchase Order in whole or in part by the like amount without incurring liability. Performance of the Purchase Order requirements will be resumed as soon as the circumstances causing the delay cease, except where the parties otherwise agree, or the Purchaser no longer requires the Goods and/or Works and/or Services having sourced similar Goods and/or Works and/or Services elsewhere in accordance with this Clause 10. The Purchaser shall pay for such Goods as have been delivered and/or such a sum as may be equitable in respect of Works and/or Services performed prior to suspension or cancellation.

14 CONFIDENTIALITY

The Contractor shall restrict disclosure of such confidential information to such of its employees, agents or subcontractors as need to know it for the purpose of discharging the Contractor's obligations under the Contract, and shall ensure that such employees, agents or subcontractors are subject to obligations of confidentiality corresponding to those which bind the Contractor. The Contractor shall be responsible for the acts and omissions of its employees, agents and subcontractors as

A fair and reasonable reduction in the Price shall be made for any omission. If the Contractor considers that any such variation justifies an increase to the Price, he shall so notify the Purchaser in writing and await confirmation that the amendment to the Price is agreed before undertaking the variation.

17 FRAUD, BRIBERY AND CORRUPTION

- 17.1 The Contractor shall procure that all of its business activities in the UK or elsewhere are conducted in compliance with the Bribery Act 2010 and the Criminal Finances Act 2017 and the laws and requirements of all countries or territories in which the Contractor operates, including all anti-bribery and corruptions laws and laws against the facilitation of tax evasion. Any agreement or requirement to subcontract any part of the Works shall not relieve the Contractor of any of his obligations hereunder and the Contractor shall be responsible for the acts and omissions of subcontractors in connection with the Works as if they were its own acts and omissions.

19 SEVERANCE

19.1 If a court or any other competent authority finds that any provision (or part of any provision) of a Contract is invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed deleted, and the validity and enforceability of the other provisions of that Contract shall not be affected. If any invalid, unenforceable or illegal provision of the Contract would be valid, enforceable and legal if some part of it were deleted, the provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.
